ABOUT

Data scientist with PhD and broad experience with scientific research, data analysis and statistical analyses using programming languages such as R, Python and SQL. Ability to solve problems independently and fast learning, critical thinker and proactive.

WORK EXPERIENCE

RESEARCH DATA ANALYST

Federal University of Pernambuco | May 2021 - Present

- Analyses of research data
- Teaching of R programming and statistical analyses
- Design of research experiments
- Scientific writing and publication

EDUCATION

DATA SCIENCE ESPECIALIST

Federal University of Technology - Paraná | March 2021 - Present
- Programming languages (R, Python)
- Databases (SQL)
- Big Data
- Machine Learning
- Data Mining

PHD - ENVIRONMENTAL SCIENCES

State University of São Paulo | March 2014 - November 2018
- Experiment design;
- Data collection;
- Data and statistical analyses;
- Scientific writing and publication;

CERTIFICATES

STATISTICAL ANALYSES WITH R

UNIVARIATE STATISTICS WITH R
